

## Family/Peer Support Specialist Webinar Training Program

The Family/Peer Support Specialist Webinar Training program is devoted to giving peers and family members an opportunity to learn about educational skills such as the Recovery Model, Communication Skills, Trauma Informed Care, among others. All webinar training sessions are guided by trained presenters and provide opportunities for live participant interaction. The goal of this program is to provide individuals with lived experience as a peer or family member Behavioral Health educational training, one-on-one career counseling, and support to volunteer or work in the Behavioral Health Field. Interested in taking part in this program?
