

ADVOCACY DAY

Each year, NAMI CA hosts the Spring State Capitol and Bebe Moore Campbell Advocacy Days, to provide a platform for passionate advocates to engage with lawmakers on important policies aimed at improving the quality of life for people with mental illness.

This year, we are combining events to honor the voices of diverse communities and family members in one virtual Advocacy Day. Please join us to engage state policy makers with the goal of eliminating stigma and providing better mental health outcomes for our diverse communities and family members!
